PIR Quiz-CME Credit

The American Academy of Pediatrics is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. As an organization accredited for continuing medical education, completion of the PIR Quiz meets the criteria for 2 hours of credit, per issue, of the American Academy of Pediatrics' PREP Education Award.

The American Academy of Pediatrics designates this continuing medical education activity for 2 credit hours, per issue, in Category 1 of the Physician's Recognition Award of the American Medical Association.

This program has been reviewed and is acceptable for 2 Prescribed hours per issue by the American Academy of Family Physicians. (Terms of approval: Beginning date January 1992. Enduring Materials are approved for 1 year, with option to request renewal. For specific information, please consult the AAFP Office of Continuing Medical Education.)

The questions for the PIR quiz are located at the end of each article in this issue. Each question has a SINGLE BEST ANSWER. To obtain credit, record your answers on the PIR Quiz Card found in the January issue, and return the card to the Academy. (PREP group participants will receive the PIR Quiz Card and Self-Assessment Credit Reply Sheet under separate cover.)

To receive CME credit on the 1992 annual credit summary, you must be enrolled in PREP or subscribe to Pediatrics in Review and return the PIR Quiz Card by February 28, 1993. PIR Quiz Cards received after this deadline will be recorded in the year it is received; with cards from the 1992 PIR journals, accepted through December 31, 1994.

The PIR Quiz card is bound into the January issue. Complete the quizzes in each issue and send it to: American Academy of Pediatrics, PREP Office, PO Box 927, Elk Grove Village, IL 60009-0927.

The correct answers to the questions in this issue appear on the inside front cover.
