PIR Quiz-CME Credit

The American Academy of Pediatrics is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The American Academy of Pediatrics designates this continuing medical education activity for 40 credit hours in Category 1 of the Physician’s Recognition Award of the American Medical Association.

As an organization accredited for continuing medical education (CME), completion of the PREP program meets the criteria for 40 hours of credit toward the AAP PREP Education Award.

This program has been reviewed and is acceptable for 40 Prescribed hours by the American Academy of Family Physicians. (Term of approval: beginning date January 1993. Enduring materials are approved for 1 year, with option to request renewal.) For specific information, please consult with the AAFP Office of Continuing Medical Education.

This program has been reviewed and is acceptable for 28 AOA Category 2-B CME hours by the American Osteopathic Association. For specific information, please consult with the AOA Department of Education.

In addition, this course has been approved for 40 NAPNAP contact hours. An individual requesting contact hours should submit proof of participation and verification of PREP accreditation to the NAPNAP National Office.

The questions for the PIR quiz are located at the end of each article in this issue. Each question has a SINGLE BEST ANSWER. To obtain credit, record your answers on the PIR Quiz Card found in the January issue, and return the card to the Academy. (PREP group participants will receive the PIR Quiz Card and Self-Assessment Credit Reply Sheet under separate cover.) To receive CME credit on the 1993 annual credit summary, you must be enrolled in PREP or subscribe to Pediatrics in Review and return the PIR Quiz Card by February 28, 1994. PIR Quiz Cards received after this deadline will be recorded in the year they are received, with cards from the 1993 PIR journals accepted through December 31, 1995.

The PIR Quiz card is bound into the January issue. Complete the quizzes in each issue and send it to: American Academy of Pediatrics, PREP Office, PO Box 927, Elk Grove Village, IL 60009-0927.

PREP EDUCATION AWARD:
The PREP Education Award provides recognition and support for those Academy Fellows and Candidate Fellows who participate in PREP. Individuals who qualify for the PREP Education Award will receive their award automatically. To be eligible for this award, a Fellow or Candidate Fellow of the American Academy of Pediatrics must receive, over a 3-year period, 150 hours of Category 1 CME credits from the following sources:

- 75 hours must be obtained from participation in PREP (the Self-Assessment Exercise and/or Pediatrics in Review) or PREP: The Course.
- The balance (75 hours) of the 150 CME credits may be obtained through other programs sponsored or approved by the Academy. This includes: the AAP Spring Session or Annual Meeting, CME courses, Academy-approved courses, or the Pediatric UPDATE audiocassette tape program.

The correct answers to the questions in this issue appear on the inside front cover.

Correction

For those completing the 1993 Self-Assessment Exercise, please note the following change to Question 125:

A 16-year-old boy cut his hand on a rusty farm implement. His most recent immunizations were given at entry into school when he received “all his booster shots.”

Which of the following is the MOST appropriate approach to ensuring that this patient is protected against tetanus?

A. Immunize using adult strength diphtheria and tetanus toxoids (dT) vaccine
B. Immunize using both dT vaccine and tetanus immune globulin
C. Withhold immunization against tetanus because he is still adequately protected
D. Withhold immunization against tetanus pending determination of the tetanus antibody titer
E. Withhold immunization against tetanus until the possibility of immunosuppression is excluded
## Continuing Education Programs

### Annual Meetings
- **Washington, DC**
  - October 30–November 3, 1993
- **Dallas, Texas**
  - October 22–26, 1994

### Spring Session
- **Denver, Colorado**
  - April 23–27, 1994

### Continuing Medical Education Courses
