As an organization accredited for continuing medical education (CME), completion of the PREP program meets the criteria for 40 hours of credit toward the AAP PREP Education Award.

This program has been reviewed and is acceptable for 40 Prescribed hours by the American Academy of Family Physicians. (Term of approval: beginning date January 1993. Enduring materials are approved for 1 year, with option to request renewal.) For specific information, please consult with the AAFP Office of Continuing Medical Education.

This program has been reviewed and is acceptable for 28 AOA Category 2-B CME hours by the American Osteopathic Association. For specific information, please consult with the AOA Department of Education.

In addition, this course has been approved for 40 NAPNAP contact hours. An individual requesting contact hours should submit proof of participation and verification of PREP accreditation to the NAPNAF National Office.

The questions for the PIR quiz are located at the end of each article in this issue. Each question has a SINGLE BEST ANSWER. To obtain credit, record your answers on the PIR Quiz Card found in the January issue, and return the card to the Academy. (PREP group participants will receive the PIR Quiz Card and Self-Assessment Credit Reply Sheet under separate cover.) To receive CME credit on the 1993 annual credit summary, you must be enrolled in PREP or subscribe to Pediatrics in Review and return the PIR Quiz Card by February 28, 1994. PIR Quiz Cards received after this deadline will be recorded in the year they are received, with cards from the 1993 PIR journals accepted through December 31, 1995.

The PIR Quiz card is bound into the January issue. Complete the quizzes in each issue and send it to: American Academy of Pediatrics, PREP Office, PO Box 927, Elk Grove Village, IL 60009-0927.
