PIR Quiz-CME Credit

A short quiz can be found at the end of each article in Pediatrics in Review. Use the Quiz Card (bound into the January issue) to record your answers. Each question has a SINGLE BEST ANSWER. The answers to the questions appear on the inside front cover of each issue. Three AMA Category 1 continuing medical education (CME) credits are awarded per completed issue for a yearly total of 36 CME credits.

To obtain credit, record your answers on the Pediatrics in Review Quiz Card and send it to the American Academy of Pediatrics, PREP Office, PO Box 927, Elk Grove Village, IL 60009-0927. To receive CME credit on the 1996 annual credit transcript, Quiz Cards must be received by February 28, 1997. Quiz Cards received after this deadline will be recorded in the year they are received. Quiz Cards from the 1996 volume of Pediatrics in Review will be accepted through December 31, 1998. A special note to PREP group subscribers: You will receive the PIR Quiz Card and the Self-Assessment Credit Reply Sheet under separate cover.
