How to complete this activity
Pediatrics in Review® can be accessed and reviewed in print or online at http://pedsinreview.aappublications.org. Learners can claim credit monthly online or submit their scannable answer sheets for credit upon completion of the 12-month activity. A CME scannable answer sheet for recording your quiz answers can be found bound in the January 2011 issue. The deadline for submitting the 2011 answer sheet for this activity is December 31, 2013. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 90 minutes to complete the quiz activity.
