CME summary

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 36 AMA PRA Category 1 Credits(TM)

The program is approved by the NASN/APN for consensus-based pediatrics. This course has been determined for the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

For the 2010 revision of the American Medical Association (AMA) Physician's Recognition Award (PRA) and credit system, a minimum performance level of 60% or more of the questions must be answered correctly to be credited toward the AMA PRA Category 1 Credits(TM) awarded toward the claims of the AAP in good standing. The American Academy of Pediatrics is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The American Academy of Pediatrics designates this educational activity for a maximum of 36 AMA PRA Category 1 Credits(TM)
