PUBLISHER: American Academy of Pediatrics

Pediatrics in Review offers 36 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is awarded after achieving a 60% score on each designated quiz.

CME STATEMENTS:
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 100 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 100 AAFP credit. These credits may be applied toward the AAP CME/CPD® Award available to Fellows and Candidate Members of the AAP.

The American Academy of Pediatrics accepts certificates of participation for educational activities certified by the American Medical Association (AMA) or other AMA-accredited organizations. The AAP determines whether a CME activity meets the criteria for AMA PRA Category 1 Credit™. Activity reviews are accepted from organizations accredited by ACCME. Physicians assistants may receive a maximum of 1 hour of Category 1 credit for completing this program. This program is accredited for 600 NAPNAP CE contact hour: pharmacology (8) and psychopharmacology contact hour to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

It has been established that each CME activity will take the learner approximately 1 hour to complete.

*Continuing Professional Development

How to complete this activity:

Pediatrics in Review can be accessed and reviewed in print or online at http://pedsinreview.aappublications.org. Learners can claim credit monthly upon completion of each CME article. This activity is not considered to have been completed until the learner documents participation in that activity by the provider via online submission of answers. Course evaluations are online.

CME QUESTIONS:

Pediatrics in Review is an American Academy of Pediatrics (AAP) policy on disclosure of financial relationships and resolution of conflicts of interest for authors and reviewers. Statements and opinions expressed in Pediatrics in Review® are those of the authors and not necessarily those of the American Academy of Pediatrics or its Committees. Recommendations included in this publication do not indicate an exclusive course of treatment or standard of medical care.
