Miriam Weinstein, Toronto, ON

PUBLISHER: American Academy of Pediatrics

Pediatrics in Review offers 36 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is earned after achieving a 60% score on each designated quiz.

CME STATEMENTS:
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits may be applied toward the AAP CME/CPD* Program and used toward accreditation by the ACCME. Physician assistants may receive a maximum of 1.00 AAP credit. These credits may be applied toward the AAP CME/CPD* Program and used toward accreditation by the ACCME. Physician assistants may receive a maximum of 1.00 Category 1 credit for completing this program.

This program is accredited for 100 NAPNAP CE contact hours: pharmacology (I) and psychopharmacology contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

It has been established that each CME activity will take the learner approximately 1 hour to complete.

*Continuing Professional Development

How to complete this activity:

Pediatrics in Review offers a review and evaluates completed quizzes in print or online at http://pedsinreview.aappublications.org. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2016. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME article. This activity is not considered to have been completed until the learner documents participation in this activity on the provider via online submission of answers. Course evaluations are online.

Answer Key appears on page 539.
