POSTMASTER: Send address changes to PEDIATRICS IN REVIEW, American Academy of Pediatrics Customer Service Center, 1141 Northwest Point Blvd, Elgin Grove Village, IL 60007-1098. Pediatrics in Review® Print Issue Editorial Board Disclosures The American Academy of Pediatrics (AAP) Policy on Disclosures of Financial Relationships for Completion of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose any financial relationship with a manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Financial relationships are defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients. Each of the editorial board members, reviewers, question writers, PREP Coordinating Committee members and staff has disclosed, if applicable, that the CME content he/she edits/reviews/question writers may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers. None of the editors, board members, reviewers, question writers, PREP Coordinating Committee members, or staff has any relevant financial relationships to disclose, unless noted below. The AAP has taken steps to resolve any potential conflicts of interest. Disclosure
• Robert Baker, MD, PhD, disclosed he has an author relationship with Asta Zeneica
• Lynn Garfunkel, PhD, disclosed she is a consultant to Eli Lilly and Company
• Nupur Gupta, MD, MPH, disclosed she has a financial relationship with Sano Logic, Inc.
• Gregory A. Hale, MD, disclosed he is on the editorial board of Tributes Pharmaceuticals, on the advisory board and has a consulting agreement with Amicus Therapeutics, on the editorial board of CNS Drugs, and on the advisory board of GSK; he has a financial relationship with Spruce Healthcare
• Joseph Gijon, MD, disclosed he has a financial relationship with Wyeth and Ferring; and he has received travel grants from the NHLBI
• Aaron W. Tustin, MBBS, FRCP, disclosed he has a financial relationship with Oxford and other institutions
• Jorina Elbers, MD, disclosed she has a financial relationship with Wyeth and Ferring; and she has received travel grants from the NHLBI
• Richard S. Shope, MD, disclosed he has a financial relationship with Wyeth and Ferring; and he has received travel grants from the NHLBI
• Heather Simmons, MD, disclosed she has a financial relationship with Wyeth and Ferring; and she has received travel grants from the NHLBI

CME STATEMENTS:
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/FPF® program for Fellows and Candidate Members of the AAP. This program is accredited for 1.00 NAPNAP CE contact hour: pharmacology (PharmCE®) and psychopharmacology contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.
It has been established that each CME activity will take the learner approximately 1 hour to complete.
*Continuing Professional Development How to complete this activity: Pediatrics in Review® can be accessed and reviewed in print or online at http://pediatricsinreview.aappublications.org. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2018. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME article. This activity is not considered to have been completed until the learner demonstrates participation in that activity to the provider via online submission of answers. Course evaluations are online.
