The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for the AAP. This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD* Award available to Fellows and Candidate Members of extent of their participation in the activity.

The AAP designates this journal-based CME activity for a maximum of 1.00 credit for physicians.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Academy of Pediatrics Designates this activity for up to 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosures:
- Nupur Gupta, MD, MPH, disclosed she has a financial relationship with Springer US as co-editor for MassGeneral Hospital for Children Handbook of Pediatric Global Health.
- Michael Macknin, MD, FAAP, disclosed that: he and his wife each receive a free cruise for his seven one-hour talks annually on general pediatric subjects for University at Sea; he receives a grant from the Wendel Family Foundation to fund a randomized study comparing various diets, and one member of the Wendel Family produced the film "Forks Over Knives," which describes the virtues of a vegan diet.
- Janet Servent, MD, FAAP, disclosed she has a clinical research grant from the Centers for Disease Control and Prevention for quality improvement for HPV vaccines.
- Andrew Sirotmak, MD, disclosed that he serves as an expert witness in cases of suspected child abuse.
- Miriam Weinstein, MD, disclosed she has a financial relationship with Springer US as co-editor for MassGeneral Hospital for Children Handbook of Pediatric Global Health.

Each of the editorial board members, reviewers, question writers, PREP Coordinating Committee members and staff has disclosed, if applicable, that the CME content he/she edits/writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers. None of the editors, board members, reviewers, question writers, PREP Coordinating Committee members, or staff has any relevant financial relationships to disclose, unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

CME STATEMENTS:
- The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
- The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD* Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 1.00 hour of Category 1 credit for completing this program.

This program is accredited for 1.00 NAPNAP CE contact hour; pharmacology (Rx) and psychopharmacology contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

It has been established that each CME activity will take the learner approximately 1 hour to complete.

* Continuing Professional Development

How to complete this activity:
- Pediatrics in Review can be accessed and reviewed in print or online at http://pedsinreview.aappublications.org. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2019. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME article. This activity is not considered to have been completed until the learner documents participation in that activity to the provider via online submission of answers. Course evaluations are online.
