Answer Key appears on page 377.
The journal extends special thanks to the following question writers and ancillary reviewers who contributed to this issue:

- E. Steve Roach, MD, disclosed he receives an honorarium from Elsevier for serving as editor.
- Mobeen Rathore, MD, CPE, disclosed that he is a member of the advisory boards for Squire and GSK and is a consultant for Viiv Healthcare.
- Mark F. Weems, MD disclosed that he has a paid consultant relationship with Abbott Structural Heart as a member of the medical advisory board for the Amplatzer Piccolo PDA Occluder.
- Nupur Gupta, MD, disclosed that she receives royalties from Springer as co-editor of the MassGeneral Hospital for Children Handbook of Pediatric Global Health.

Disclosures

- Each of the editorial board members, reviewers, question writers, PREP Coordinating Committee members, and staff has disclosed, if applicable, that the CME content he/she edits/writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers. None of the editors, board members, reviewers, question writers, PREP Coordinating Committee members, or staff has any relevant financial relationships to disclose.
- All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.
- The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure that the quality, objectivity, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service. This policy will be updated annually.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD™ Award available to Fellows and Candidate Members of the AAP. The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 1.00 hour of Category 1 credit for completing this program.

How to complete this activity:

- Pediatrics in Review can be accessed and reviewed in print or online at http://pedsinreview.aappublications.org. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2021. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME article. This activity is not considered to have been completed until the learner documents participation in that activity to the provider via online submission of answers. Course evaluations are online.
- This program is approved for 1.00 NAPNAP CE contact hour; pharmacology (Rx) and psychopharmacology contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

The American Academy of Pediatrics (AAP) accepts certificates of participation for educational activities certificated for AMA PRA Category 1 Credit™ for a minimum of 30 quizzes from the 2019 CME articles, with a minimum passing score of 60% on each, to earn 30 MOC Part 2 points.

MOC STATEMENT:

- This activity is approved for 30.00 points of MOC Part 2 credit by the American Board of Pediatrics. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician’s ABP Portfolio. Learners must complete a minimum of 30 quizzes from the 2019 CME articles, with a minimum passing score of 60% on each, to earn 30 MOC Part 2 points.
